SUBJECT

: Survey of Committees within Government

ALFERENCE.

: Memorandum for the Special Assistants for Cabinet

Coordination, 23 March 1955 (attached)

- 1. The Sub-Cabinet at the White House has launched a Committee Management Program, and has secured CIA agreement to participate. The chiective of the Program as outlined is to establish a simple Government-wide committee management and control machinery on a continuing basis to assure better coordination. The degree of CIA participation is naturally subject to appropriate overriding security considerations.
- 2. I am attaching the Sub-Gabinet instructions and sample format for the reports. You will note that departmental, interdepartmental and public advisory committees are mentioned in paragraph 1 of the reference.
- 3. Only those Committees for which your Office provides the Chairman or Executive Secretariat are to be reported. Please note on each report whether or not you believe that knowledge of a given committee should be withheld on security grounds.
